Lieutenant James R. Ganyon  
Patrol Division, Search and  
Rescue Coordinator  
Washoe County Sheriff's Office  
911 Parr Boulevard  
Reno, Nevada 89512-1000

Dear Lieutenant Ganyon:

We have received your November 9, 1993, petition on behalf of the Washoe County Sheriff's Office for continuation of Exemption No. 5119 which exempts that office from § 61.118 of the Federal Aviation Regulations (FAR). This exemption, if extended, would continue to permit the Washoe County Sheriff's Office to reimburse members of the Sheriff's Air Squadron for fuel, oil and maintenance costs that occur during official search missions.

Your petition has been added to the public docket (No. 25886) and is being processed. We will contact you if additional information is needed.

A petition for exemption, according to § 11.25 of the FAR, must be submitted to the Federal Aviation Administration (FAA) at least 120 days before the proposed effective date of the exemption unless good cause is shown in the petition. In addition, a summary of the petition is published in the Federal Register for public comment unless, according to § 11.27(j), the FAA determines that good cause exists for not publishing it.

You will be advised of the agency's final decision on your petition as soon as possible. If you have any questions in the meantime, you may call (202) 267-7625.

Sincerely,
